Reviewer Comments

chapter 1 documents 4th bulletpoint: Document refers to wrong directory, should be 25reviews.

chapter 1 documents 7th bulletpoint. Backlog? where is the backlog.

chapter 1 documents 1th asterix. please properly write down how name should be like name_versionnumber

chapter 2.1 bulletpoint 4 100% line test? thats pretty difficult as you know.

chapter 2.1 bulletpoint 5 Every scenario possible? that's too extreme. Just realistic scenarios.

chapter 2.2 last bulletpoint. if more then 2 things are changed it's too big? please don't define size in this document.

general: please use numbering instead of bulletpoints.
